

Hi, this is Forrest from the SWORPS Help Desk. In this video, we'll be learning how to log in to TN-ELAP.

To navigate to the Log In screen, visit TN-ELAP.org, choose the Register and Log In tab, and click the Log in to TN-ELAP Live Site button.

Enter the username and password that you used to register your account and click the Log In button.

If you have forgotten your password, click the link below the log in form.

If this is your first time logging in, you will be presented with the user agreement. Please read the agreement and accept to continue to the rest of the site.

If you encounter any difficulties, please get in touch with us at sworpshelpdesk@utk.edu and we'll be happy to help.
